Message from Pastor Mac

I want to thank everyone who prayed for us during our mission trip to Nairobi, Kenya. The week was probably the most meaningful and rewarding mission trip I have ever been on, but it was also the most challenging I've ever been a part of as well. The Lord walked with us every step of the way, and we are so thankful for His grace, provision and protection through the entire adventure. We were blessed to celebrate in person with Antioch Bible Community church, with Pastor Charles and Ann Nderitu and hundreds of people who have come to salvation in Jesus Christ in the past 10 years since we helped plant the church there. They have disciplined many and even planted 14 new churches in the surrounding counties around Nairobi. We got to travel to half of the new churches and meet with their pastors and people. Our team also ministered in some schools and homes as well. The Kenyan churches are a very appreciative people, and they thanked us immensely for spending time with them in worship, prayer and fellowship.

Thank you PVN— for your prayers, for your generosity and faithfulness in giving and serving. When you give your tithes and offerings to our general fund, a portion goes to support our Kenyan churches as well as our partnering ministries locally and around the world. To God be the glory!
