**Invite a friend to PVN!**

**Most people come to church because of a personal invitation from someone they know.**

Think about who is close by. Who lives across the street, who is next door to the right and to the left? Who sits near you at school? Who works with you? Who doesn't go to church? Who needs Jesus? With the Holy Spirit's help, make the effort to invite them to join you in worship and Sunday School each week.

**Invite them to join us on Easter Sunday too!**
